

# MILITARY-AFFILIATED STUDENTS

---

## Priority Registration

In accordance with UNC System policy 700.7.1[R]—Regulation for Military Student Success, students using VA education benefits, students using DoD or DHS Tuition Assistance (TA), students on national service academy graduate degree sponsorship, and students who have been released from active duty for a specific amount of time to attend college through a military degree completion program will receive priority class registration. UNC Greensboro extends this policy to include all veteran, active duty, National Guard or Reserve students.

Students who were identified a servicemember or veteran at the time of application or those who utilized VA education benefits and/or DoD or DHS Tuition Assistance (TA) in the previous term will be added to the early registration window. If you meet the requirements above but were not identified as such, please contact the Office of Military-Affiliated Services at [military@uncg.edu](mailto:military@uncg.edu).

## Other Information

Additional military-affiliated student information is available via the Military-Affiliated Services Office website at <https://military.uncg.edu>.
