

DROPPING A COURSE

Students who have received a fellowship, tuition remission, and/or in-state tuition award who drop a course at any point in the semester will be re-evaluated to ensure that they still meet the eligibility requirements to receive financial support.

Students who meet the eligibility requirements and for whom the reduction in credit hours occurs before the census date (generally two weeks after classes begin) may have their financial account adjusted with no penalty. Please consult the Graduate School about the consequences of dropping a course after the census date.
