

SEMESTER HOURS REQUIRED FOR CERTIFICATES

In general, certificate programs range between twelve (12) to eighteen (18) semester hours of graduate courses with at least half of this course work at the 600-level or above. No certificate may require fewer than nine (9) hours. A certificate program may petition for a 9-credit program if that number of credits is associated with external demands. No more than three (3) semester hours with a grade of C+ (2.3) or C (2.0) will count towards a certificate.

All courses for a certificate will be letter graded except for internships, practicums, independent projects, or clinical work.
