

# DROPPING COURSES

---

Drop deadlines for the standard semester and summer terms are given in the University Registrar's Academic Calendar (<https://reg.uncg.edu/calendars/>). To drop a course outside the normal drop period, the student must complete and obtain the required signatures on the registration drop/add form, available through the student's academic program or the Graduate School. For courses scheduled outside the standard term dates, proportional deadlines are similarly applied.

No regularly scheduled course may be dropped in the last two weeks of classes in a fall or spring semester or during the last week of a summer session. For courses scheduled outside the standard term dates, proportional deadlines are similarly applied.

Important note: Dropping a course after the census date may have financial and academic consequences. Please refer to Financial Consequences of Academic Actions in Section II.

A student registered for and wishing to drop an interinstitutional course follows the same procedures and deadlines as required for dropping courses at UNCG.

Official withdrawal from the University is required if a student wishes to drop all courses after census date.
