

ENGLISH, B.A.

The English Major provides a flexible program. Students who major in English participate in increasingly intensified study of language and literature that includes English, American, and foreign literature in translation. Upon graduation, English majors are well qualified to enter nearly all fields that do not require previous technical and professional training.

Although the English major is an excellent preparation for a variety of careers, many students will seek licensure to teach, and others will choose to enter graduate school. English has long been recognized as a desirable major for prelaw and premedical studies. It is also beneficial for students who enter such fields as journalism, editing, communications, diplomacy, advertising, and personnel work.

Students will find more information about the English major on the Department's website: <https://english.uncg.edu/undergraduate/ba-degree/>.

Accelerated B.A. to M.A.

The Accelerated BA to MA in English requires 30-36 credit hours and is designed for those planning to pursue a doctorate; to teach in community colleges, technical institutes, or some undergraduate colleges; and to work in non-academic settings. Three plans of study beyond the core requirements are offered:

1. Thesis Plan
2. Teaching Composition Plan
3. Careers in the Humanities Plan

Application and Admission

Qualified UNC Greensboro undergraduate students may apply for admission to the Accelerated Master's Program (AMP) in English. A cumulative undergraduate GPA of at least 3.5 based on at least 30 credits earned at UNC Greensboro is required. Applicants must have completed

at least 60 credits and may not apply for admission to the AMP before the first semester of the junior year.

English has the following additional requirements for AMP applicants:

At least 15 credits of undergraduate English courses at the 200 level or above, with an earned 3.5 GPA in these courses.

Standard application requirements for the Master of Arts (M.A.) degree program, excluding GRE scores (i.e., undergraduate transcript(s), three letters of recommendation, statement of purpose, writing sample, and resume or cv).

AMP applicants must complete the Accelerated Master's Program information along with their application for admission to the English M.A. degree program. Students admitted to the AMP program may apply a maximum of 12 credits of graduate-level course work toward completion of both the undergraduate and graduate degrees, provided that they earn a grade of B (3.0) or better in each graduate course and fulfill graduate-level requirements.

Courses

Up to, but not more than, 12 credits of graduate courses may be double-counted. For a course to apply toward both degrees, the student must earn a grade of B (3.0) or better in the course and fulfill graduate-level requirements.

The M.A. degree requires 30 credit hours to complete. Students enrolled in the Accelerated Master's Program will fulfill the core requirements for the M.A. program and the M.A. alternate plan of study that they choose. If the maximum of 12 credits is double-counted toward both the undergraduate and graduate degrees, the student must complete a minimum of 18 credits of further graduate-level course work to complete the M.A. degree. No more than 9 credits at the 500-level may be counted toward the M.A. degree. Please see the University Catalog for a full description of the M.A. degree requirements. AMP students should consult with an advisor to determine how the courses taken at the graduate level will meet requirements in the bachelor's degree program. All degree requirements for the M.A. in English will remain the same.

All courses that lead to the completion of the M.A. degree must be approved by the Graduate Program Director. The following courses have been identified as those that may be counted toward the B.A. and M.A. degrees. These courses have been chosen because they are well suited to AMP students and because they are offered frequently enough to provide students substantial opportunity to enroll in them:
