

ENGLISH, SECONDARY EDUCATION, B.A.

North Carolina needs teachers. Students who major in English with High School Licensure receive excellent preparation through the University's Department of English and the School of Education. Graduates go on to teach not only in North Carolina, but also in states with which North Carolina has reciprocal licensure agreements.

This Council for the Accreditation of Educator Preparation (CAEP) and North Carolina Department of Public Instruction (NCDPI) accredited program has an excellent placement record. It is designed for students who want to teach high school English, although majors often go on to graduate school in English or other professional schools such as law, medicine, or education.

The preparation for English education is rigorous so future teachers become well informed about theory and practice and concerned about diversity, community, and their ongoing professional growth. Graduates also experience success and flexibility in careers as diverse as writing, publishing, journalism, broadcasting and marketing, as well as educational administration, law, business, library and information science, health care, politics and more.

Additional guidance is available from the Director of English Education.

Accelerated B.A. to M.A.

The Accelerated BA to MA in English requires 30-36 credit hours and is designed for those planning to pursue a doctorate; to teach in community colleges, technical institutes, or some undergraduate colleges; and to work in non-academic settings. Three plans of study beyond the core requirements are offered:

1. Thesis Plan
2. Teaching Composition Plan
3. Careers in the Humanities Plan

Application and Admission

Qualified UNC Greensboro undergraduate students may apply for admission to the Accelerated Master's Program (AMP) in English. A cumulative undergraduate GPA of at least 3.5 based on at least 30 credits earned at UNC Greensboro is required. Applicants must have completed at least 60 credits and may not apply for admission to the AMP before the first semester of the junior year.

English has the following additional requirements for AMP applicants:

At least 15 credits of undergraduate English courses at the 200 level or above, with an earned 3.5 GPA in these courses.

Standard application requirements for the Master of Arts (M.A.) degree program, excluding GRE scores (i.e., undergraduate transcript(s), three letters of recommendation, statement of purpose, writing sample, and resume or cv).

AMP applicants must complete the Accelerated Master's Program information along with their application for admission to the English M.A. degree program. Students admitted to the AMP program may apply a maximum of 12 credits of graduate-level course work toward completion of both the undergraduate and graduate degrees, provided that they earn a grade of B (3.0) or better in each graduate course and fulfill graduate-level requirements.

Courses

Up to, but not more than, 12 credits of graduate courses may be double-counted. For a course to apply toward both degrees, the student must earn a grade of B (3.0) or better in the course and fulfill graduate-level requirements.

The M.A. degree requires 30 credit hours to complete. Students enrolled in the Accelerated Master's Program will fulfill the core requirements for the M.A. program and the M.A. alternate plan of study that they choose. If the maximum of 12 credits is double-counted toward both the undergraduate and graduate degrees, the student must complete a minimum of 18 credits of further graduate-level course work to complete the M.A. degree. No more than 9 credits at the 500-level may be counted toward the M.A. degree. Please see the University Catalog for a full description of the M.A. degree requirements. AMP students should consult with an advisor to determine how the courses taken at the graduate level will meet requirements in the bachelor's degree program. All degree requirements for the M.A. in English will remain the same.

All courses that lead to the completion of the M.A. degree must be approved by the Graduate Program Director. The following courses have been identified as those that may be counted toward the B.A. and M.A. degrees. These courses have been chosen because they are well suited to AMP students and because they are offered frequently enough to provide students substantial opportunity to enroll in them:

Code	Title	Credit Hours
ENG 601	English Studies: Content, Methods, and Bibliography	3
ENG 702	Theories, Methods, or Pedagogy: Selected Topics *	3
ENG 703	Cultural and Historical Change: Selected Topics *	3
ENG 707	Alternative Paradigms and Emerging Fields: Selected Topics *	3

* May be repeated up to three times for credit when topic varies.
