

PSYCHOLOGY, M.A.

General Experimental Psychology Concentration

The terminal M.A. in Psychology with a concentration in General Experimental Psychology requires 36 credit hours.

For information regarding deadlines and requirements for admission, please see <https://grs.uncg.edu/programs/>.

Degree Program Requirements

Required: 36 credit hours

Degree requirements for students in the terminal M.A. program in Psychology with a concentration in General Experimental Psychology are identical to those for students in the M.A. Doctoral Track (a M.A. to Ph.D. program) in Psychology with a Cognitive, Developmental, Social, or General Experimental concentration, with one exception: For students in M.A. Doctoral Track programs, only courses with grades of B or better may count toward the M.A. degree. Grades below B in courses to be counted toward the M.A. degree must be replaced either by re-taking the same course or by earning a grade of B or better in another course that the Department Head formally determines to be an equivalent course (upon consultation with the instructor(s) of the course in the Psychology Department).
