Joan Titus, Department of Music
Amy Vetter, Department of Teacher Education and Higher Education
Amy Vines, Department of English

Mission Statement

The central focus of the Women's, Gender, and Sexuality Studies Program is to explain how gender is produced within social institutions and how these institutions affect individual lives and to analyze the mutual constitution of gender, race, ethnicity, class, sexuality, nationality, and religion. The program addresses issues of neglect, omission, and bias in curricula while honing critical thinking skills vital to a liberal education.
